

PrimeTime Health Plan 2018 Pharmacy Directory

This pharmacy directory was updated on 05/10/2018. For more recent information or other questions, please contact PrimeTime Health Plan at 1-800-577-5084 or, for TTY users, 1-800-617-7446, Monday through Friday 8 a.m. to 8 p.m. (October 1st – February 14th, we are available 7 days a week, 8 a.m. to 8 p.m.), or visit www.primetimehealthplan.com.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.primetimehealthplan.com. You may also call Member Services for updated provider information.

Introduction

This booklet provides a list of PrimeTime Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and PrimeTime Health Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under PrimeTime Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of May 10, 2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact PrimeTime Health Plan.
