

Firvanq – Azurity Pharmaceuticals, Inc.

Azurity announced a voluntary, patient-level recall of one lot of Firvanq (vancomycin for oral solution) 50 mg/mL kit because some products in the affected lot have been found to incorrectly contain a First Omeprazole (FIRST-PPI) diluent instead of the Firvanq diluent bottle.

Product	Firvanq (vancomycin oral suspension)
Manufacturer	Azurity Pharmaceuticals, Inc.
Recall identification date	09/09/2021
Affected NDCs	65628-0206-05

Consumers should contact their physician or healthcare provider if they have experienced any problems that may be related to taking or using this drug product.

This recall is being conducted with the knowledge of the U.S. Food and Drug Administration.
